#### **Head Teacher's report:**

We were delighted to welcome all children and staff back to school after the summer holidays. We also welcomed new ante pre-school nursery children, 18 new P1 children, an older child and 2 new members of staff (Miss McLuggage who is in P3/4 and Miss Cairns who is in the nursery).

· We were delighted to launch our new parental app. Currently we have 138 downloads, although some of those are staff and some families have downloaded the app on several devices. This is a good start though.

- Mrs Shearer and Mrs Scott attended Give Us A Break training on the two August in-service days. This means that they are now able to run a group in order to support children. Give Us A Break is an 8-week programme designed to support children aged 10-14 who are coping with negative change in their lives; experiencing loss or grief. It supports them to manage the emotional consequences of loss.
- All nursery staff have been trained in Yogido and all teachers will be trained in the next couple of weeks. This will allow everyone to introduce yoga into their classroom. This is in response to the children requesting yoga in their health and wellbeing questionnaires last year.
- We have a new Active Breaks worker this year – Mhairi Lake.
- We also have a new Educational Psychologist working with us – Claire McCaughey – who I will be meeting in the near future.
- Several staff who have changed to a new stage have attended Active Literacy training over the past couple of weeks.
- On Friday this week we have the Lanark Gazette photographer coming to take the P1 photo for their paper.
- We have a P1 parental information afternoon this Friday. This gives the parents an opportunity to visit their child in the class and to hear how they will learn in numeracy and literacy.
