Parental Opinion

Many thanks to all parents who kindly completed our questionnaires during Parents Evening. I have passed on the Parent Council questionnaires to Gail Ramsay and will collate the school and nursery Parental Questionnaires shortly. Once this has been done I will feed back to you.

Your views are important to us and we use them to help us to plan our developments for the coming year. If you have suggestions for us at any time of the year please feel free to post them in our suggestions box at the office.

Final Term

Once again we are entering the final term of the year. This is a busy term, both for staff and children.

As always we will have a 3 day visit for the P7 children to Biggar High School to help them make a smooth transition. We will also invite our new P1 children in to school to help them with their transition from nursery. More information about both transition events will be sent to those involved shortly.

Primary 6 are working on their Bikeability. This is always a super learning experience for them and once again Mrs Shearer will lead this. The work that the children do, both in theory and on their bikes, leads to them becoming more aware of how to ride safely and to being a responsible road user. Mrs Shearer will also work on a scooter safety programme with Primary 4 children.

Staff will soon begin work on your child's annual report card. These will be distributed in June

Nursery Enrolment

If you know of anyone who has a child who should be enrolled for starting nursery during the 2018-2019 session please ask them to phone the office and make an appointment to complete the relevant paperwork.

There are three intakes a year and children are eligible for a funded place in the intake following their third birthday:

- * Intake 1: August-December. Children who are 3 years old before 31 August
- * Intake 2: January-March. Children who are 3 years old before 31 December
- * Intake 3: March-June. Children who are 3 years old before the last day of February

Applications for next session must be completed before 30th April 2018.
