WELCOME BACK

I hope you have all had a restful holiday and enjoyed the break. It's always nice to be able to spend time as a family and even better when the weather is as good as it has been this year.

I am delighted to welcome the children back and give a special welcome to the new Primary 1 children and those who have joined the school in other classes. I hope all of the children are looking forward to the new year. Staff have been working hard over the last two days, but also over the holidays, to ensure that they provide a positive, interesting educational experience for their pupils.

There have been one or two staff changes from last year. We are delighted to welcome Miss Lisa Brown to our staff. I am sure she will be an asset to the school and will work hard for the benefit of our children. The updated staff list is as follows:

Early Years Team Leader Teacher	Miss Lesley Stewart Mrs Anne Coubrough (Mon, Tues) Mrs Kirsty Bailie (Wed, Thur, Fri)
Early Years Worker EY Worker apprentice	Mrs Lorna Shaw Miss Audrey Moore

Primary 1	Mrs Anne Smart (Mon, Tues, alternate Wed) Mrs Lynne McLeod-Kerr (alternate Wed, Thur, Fri)
Primary 2/3	Miss Maigan Reid
Primary 3/4	Mrs Sharon Goodwin (Mon, Tues) Miss Lisa Brown (Tues - Fri)
Primary 4/5	Miss Morgan Smith
Primary 5/6	Mrs Lisa McRae
Primary 7	Miss Linzi Stewart

CCC throughout the school will be covered by Mrs Goodwin.

Support Staff:

Primary 1	Mrs Karen Shearer
Primary 2/3	Mrs Helen Cochrane
Primary 3/4	Mrs Elizabeth Scott
Primary 5/6	Mrs Angela Millar
Primary 7	Mrs Tracy Porteous (Mon - Wed) Mrs Angela Millar (Thur/Fri)

Should you have any queries or concerns regarding your child please speak to their class teacher in the first instance. They are the person who knows your child best and who is most likely to be able to answer your questions. If, however, you feel that the class teacher has been unable to deal with your query/concern please feel free to contact me either in person or by phone.

CHANGES WITHIN OUR SCHOOL

Breakfast Club

We are delighted to be part of South Lanarkshire Council's second phase of the Breakfast Club. This will start from the first day of the new term and is open to all children in school.

Children must be brought to the cafeteria by a parent/carer. This ensures that they arrive safely and that should the school have an unexpected closure you are aware of it and your child is not left at school. The Breakfast Club will run from 8.15 till 8.45am and will be supervised by Mrs Angela Millar.

All breakfasts are free for the children.

New Nursery Hours

We are also delighted to be able to offer full day places for our nursery children, should their parents wish this. The nursery will now be open to children from 9am till 3pm. All children will be given a free lunch. The children will have their lunch at 11.30am, although we hope to make this a bit later once we are more used to serving their lunches. The nursery children will be finished in the lunch hall prior to the school pupils having lunch.

This will allow a different way of working and staff are excited to lead the changes for the benefit of all children. We will consult our Parent Consultative Committee about how this is working as we go

GENERAL INFORMATION

School Uniform

We would be grateful if all children could attend school wearing the correct uniform. This identifies the children as our pupils and makes them all look very smart. We would be grateful if girls' skirts could be of a reasonable length. School uniform can be purchased from Mrs Cochrane, in the office, at any time of the year. Please feel free to ask.

All children should have gym shoes to change into while in school (slip on work best as Velcro loses it's stick very quickly) and also shorts and t-shirts for gym days.

I would also be grateful if all items of clothing could have your child's name marked on them. This allows us to give back lost items.

Assemblies

Assemblies will normally be on Fridays at 2.15pm. We have not completed our assembly calendar yet but once it is finalised I will let you know when the class assemblies are since I know that parents/carers are keen to attend and support their child.

Finance

In line with South Lanarkshire Council's financial procedures any money handed in to school must be receipted. Your child will be issued with a receipt for any money they give to the class teacher and nursery parents will be issued with a receipt for the snack money that they hand in on Mondays. All money is banked on a daily basis.

Entering School Building

Although we expect children to be in school by 9am if your child arrives after the doors are shut they must enter the building by the main entrance. I would also remind parents/carers that if they are visiting the school they must also come to the main entrance in order to sign in.

Medication

If your child requires medication during the school day I would be grateful if you could go to the office to fill in the appropriate forms. We are unable to administer medication without a current form being completed and signed by a parent/carer. I would also be grateful if an adult could deliver any medication to the office rather than ask a child to bring it with them. Medicines must be brought in their original packaging with the chemist's sticker with your child's name and the correct dosage on it. The first dose of any new medication must be given at home rather than in school.

Thank you very much for your help with all of the above matters.

PARENT COUNCIL

As a parent/carer of a child in our school you are automatically a member of our Parent Forum. From our Parent Forum we form a Parent Council which meets monthly to discuss general issues relating to the school. We discuss issues relating to the whole school rather than regarding individual children (concerns about your child or their class should be raised with the class teacher).

The Parent Council play a valuable roll in raising money for the benefit of all children in the nursery and school. This money is used for many things that benefit the children. Classes may go out of school on an educational trip (eg Edinburgh Castle), they may have a visit from a group who provide a workshop (eg Scottish Opera) or resources may be purchased, e.g. new reading books, outdoor play. The work of the Parent Council in this respect is vital to enhancing the educational experience of all children and widening their access to resources which support their learning.

The Parent Council also support development within the school. Their opinion is sought and they contribute to the life and work of the school in this way.

We will be having our AGM on Tuesday, 4th September at 7pm in the staffroom at school. We will appoint the new committee and refreshments are always on offer. New members are always welcome. Please consider coming along to join us. We would value your opinion and welcome new talents.

GOOD TO BE GREEN

We use a 'Good to be Green' behaviour system in school. Staff work hard to encourage children to behave well and make the right choices. I have included the steps in the system as a reminder of what happens if your child chooses not to do as they are asked. Your child will start each day on green.

Green: verbal reminder

Yellow: warning

If your child can show that the yellow warning has encouraged them to improve their behaviour and has made an impact they will be able to move back to green at this point.

Red: at this point your child will lose 6 minutes of their Golden Time

Blue: your child will miss their next playtime

Pink: your child will be sent to the Head Teacher or Principal Teacher

At the end of each term there will be a certificate for each child who has remained on green during that term. Each child will be allowed to use one 'chance' card between August and December and again between January and June to invalidate a yellow, red or blue card. The 'chance' card cannot be used to invalidate a pink card. Children who have been 'green' all year will be awarded a special certificate in June.

'Good to be Green' information will be added to your child's home-school planner on a daily basis. Children will receive a green dot at the end of each day if they remain on green. If they are not on green then you will be told what colour they reached and why.

SCHOOL IMPROVEMENT

I look forward to a very busy year for staff and pupils. We have a very full Improvement Plan in place for the coming session which will help us develop our practice in order to help every child reach their potential. As part of our improvement agenda I look forward to engaging with all parents/carers in order to ensure that your opinions and ideas are taken into account.

Each year the school produces an Improvement Plan which must follow guidelines set by South Lanarkshire Council but be relevant to Carnwath Primary School and Nursery Class as well as the Biggar Learning Community. It's aim is to improve the quality of learning and teaching, the environment in which the children learn and the work with parents as partners in their child's education.

You will receive a summary of this year's plan so that you are aware of what we are working on.

PUPIL FORUMS

We will have 6 Pupil Forums running throughout this year:

Eco	Mrs Coubrough and Mrs Cochrane
Fairtrade	Miss Reid, Miss Smith
Rights Respecting	Mrs Smart, Mrs Scott
Health and Wellbeing	Mrs Goodwin, Miss Brown, Mrs Miller
Community	Mrs McRae, Mrs Porteous
Charity	Miss Stewart, Mrs Shearer

Forums will be led by the children. Each Forum has a minute taker. This process allows every pupil to have a voice and to contribute to the life and work of the school.

While all the above forums have pupil and staff members I would be delighted to have a parent representative on each forum. If you could spare a half hour twice a term we would be very pleased to have you. Please let us know
