Assistive Technology

Online Workshop for Parents

Friday 12 June 2020
1.00pm to 2.00pm

Find out about how assistive technology can help with your child's learning.

Assistive technology can be a built in feature on a device, an app or free software which can support your child's reading, writing and organisation of work.

The live online workshop will be delivered by Shirley Lawson, Development Officer, Assistive Technology & Additional Support Needs, Call Scotland.

The online session will cover:

- ➢ **Introduction and overview of assistive technology**
- ➢ **How you can support your child's learning at home using assistive technology**
- ➢ **Technology to support reading and writing difficulties**
- ➢ **Using technology to increase independence of accessing online learning**
- ➢ **Technology to support organisational difficulties**
- ➢ **Websites, apps, resources to support children and young people with ASN**
- ➢ **Comparison of devices – Windows laptops, iPad, Chromebooks**
- ➢ **Questions**
